Principal’s Report

WELCOME BACK

Term 4 has started very smoothly with all students already busily engaged in their Term 4 learning programs.

Teachers have been planning extensively together to ensure our students participate in a broad range of stimulating learning activities to complete their 2012 academic year.

This term we continue with the final stage of our School Review process. Our external reviewer, Jenny Brown will present her report on the school to staff and School Council over the next few weeks and then the school will be charged with developing a new Strategic Plan for the next four years. I will keep you posted on this process throughout the Term.

HOMEWORK POLICY

Last Term we undertook an extensive review of our Homework Policy with teachers, parents and members of the Education committee. An updated Homework Policy will be presented at tonight’s School Council meeting for endorsement and if there are no further amendments I will present an overview of the policy in next week’s Newsletter.

We are eager to ensure that our homework program provides all students with opportunities to reinforce their classroom learning at home, as well as developing good study habits in preparation for future years of schooling. A central focus of this updated policy will be that weekly homework will be considered compulsory for all students from Years 3 – 6 and for Year 2 students during Term 4. Watch out for more about this in next week’s Newsletter.

SCIENCE NIGHT

In this week’s Newsletter you will note a flier for our upcoming Science Night on Thursday 8th November. This is a fantastic opportunity for families to explore science by participating in a number of fun and engaging activities. To support the planning of this event we seek your support by registering your attendance online via the details provided on the flier. Please note that bookings will close on Friday 19th October so that all materials can be purchased and activities organised. It would be greatly appreciated if you could confirm your family’s attendance as soon as possible.

CONGRATULATIONS KRISTY KRYWULA

We were excited to find out this week that we have another teacher who will become a mum in 2013. On behalf of the school I would like to congratulate Kristy Krywula on this great news. We now get to watch the ‘baby bump’ over coming months!

Best wishes Kristy for the coming months and we all look forward to sharing this exciting journey with you.

IMPELOING STOP WORK ACTION

Unfortunately the Department of Education & Early Childhood Development (DEECD) and the Australian Education Union have not yet come to agreement on the current log of claims and therefore continued industrial action has been planned for the remainder of 2012. The AEU has organised a number of half day rolling stoppages across the state and the first of these will impact on our school next Friday 19th October. I will forward a separate letter to parents later this week confirming the classes that will be affected by these industrial actions.

Reminder

Some Canteen items have increased in price.

Please refer to the Term 3, August 2012 Canteen Price List for correct prices, available online and a copy is included in today’s Newsletter.
this action. Obviously this is becoming an increasingly sensitive and frustrating matter for all teachers & parents. Hopefully this log of claims will be resolved soon and I once again seek everyone’s patience on this important matter.

**BIG NIGHT IN**

Our Year 1 & 2 students are all very excited about our ‘Big Night In’ this Friday evening. A lot of planning has been undertaken by our wonderful Year 1 and 2 teaching team to ensure that this first step of our camping program is fun and enjoyable for all participants. I have my sleeping bag dusted off and I look forward (I think?) to joining the excitement on Friday night.

**BIG NIGHT IN REMINDER**

**FAMILY SCIENCE EVENING**

All students and their families are invited to attend a Family Science evening on Thursday 8th November at Williamstown North Primary School. To inform us of your attendance at this evening, you will need to book online via our online booking system www.schoolinterviews.com.au and use the Event Code MGJET. The booking system was opened on Monday 8th October, and it will close on Friday 19th October. This will allow two weeks for you to book your attendance. Once the bookings close on Friday 19th October, no late bookings can be accepted. Please see the Flyer in today’s Newsletter.

**WNPS SOCIAL SKILLS**

At Willy North, we are focusing on an identified ‘Social Skill’ and associated behaviours linked to our School Values and the You Can Do It! Keys. These are reinforced at Monday Assembly, in classrooms and Specialist classes. Exemplary students consistently demonstrating these skills will be nominated for the weekly ‘Thumbs Up Award’ which is presented at Monday’s Assembly.

We encourage all parents to discuss the weekly Social Skill and associated behaviours with your child/ren.

This week we are continuing our focus on: Including Others

Increase good feelings at home

Family harmony is linked to good will and positive emotions. Here’s how to increase good feelings in your family and make your home a happy place.

Strong families thrive on good feelings.

They are not devoid of conflict or criticism, but generally strong families are pleasant environments to be part of.

One way to increase good feelings in your family is to increase the number of compliments.

As a general rule, the ratio of compliments to criticism should be around five to one. That is, there should be five times more positive, affirmative comments than negative comments.

In unhealthy families this ratio is reversed. When the ratio gets to around five negative comments for every one positive comment, families can be quite toxic.

How does your family rate on this scale?

If you use children only as a measure I suspect that the compliment to criticism ratio will be a little scary.

Some siblings can be unkind to each other, and find it hard to say a pleasant word. This skews the ratio a bit and can make family life awful for everyone. BUT this can change over time.

Here are five ideas to help you alter the compliments to criticisms ratio:

1. Increase your own number of affirmations, compliments, affectionate phrases and kind remarks in order to skew the ratio a bit. Aim for a seven to one ratio. Not only is this good modelling for your kids, but it will make family-life more harmonious.

2. Keep a check on your use of good feeling (and self-esteem) killers. Eradicate comments such as: “Typical boy!” “If I’ve told you once I’ve told you a thousand times, don’t…” “What a stupid thing to say to your brother/sister!” Bite your tongue rather than say what you may be thinking.

3. Make kids aware of their language and the potential harm to self-esteem, not to mention family harmony, that constant criticism can cause. Use “I” statements to let kids know the impact of their negative talk on you. “When you talk so aggressively I feel quite scared about what you are going to do next.” It’s impossible for kids to disagree with “I” statements.

4. Develop the habit of following up a negative with a positive. When I was teaching I always tried to follow up the disciplining of a student with a compliment or some positive feedback so that we could maintain a good relationship. Do the same in your family. Follow up discipline, a rebuke or a negative comment with a positive act or comment. TEACH YOUR KIDS TO DO THE SAME!

5. Let the bad feelings out. Sometimes there can be such a build-up of ill-will between siblings that you need to let the bad feelings out. One way to do this is let a child vent to you about their sibling. You may not like what you hear but a clearing of the air can work wonders in terms of improving the family atmosphere.

All these suggestions start with you.

Like everything in family life, whatever you want from your kids, you must do first. So to increase good feelings in your home aim to keep to the compliment to criticism ratio at five to one or more!
**Rosters…**

---

**Uniform Shop News**

Uniform Shop orders can be placed at the office and the order form can be printed out from the school website. The Uniform Shop is open on Mondays and Thursdays from 8.30am to 9.15am.

---

**Reminders…**

**School Banking**  School Banking day is Wednesday. Don’t forget to send in your child’s bank book.

---

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principals or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

---

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, or with Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps you must have a Working With Children Card. WWCC application forms are available from our office. If you have a WWCC provide it to the office staff. It will be photocopied and a copy place on file. A WWCC remains valid for five years. Please note, this year, the first group of our parents who received their WWCC in 2007, will need to renew their WWCC in 2012. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

---

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**

ART NEWS

Welcome back students and parents to a busy Term 4 at Williamstown North Primary School.

Please have a read of the press release below regarding the exhibition of work by students in Prep to Year 2 at our school. As I have not yet seen the exhibition, I do not know which students' work has been selected to be put on display, but I can inform you there is a sample of work from all classes in the Prep to Year 2 year levels.

The students have done a marvellous job with these artworks, however more impressively was the fantastic manners and friendliness they showed to our senior visitors who posed for the portraits.

Also a ongoing request- we are still collecting 1.25 litre plastic bottles for a 3D artwork that is being undertaken this term and would really appreciate all donations. Please drop them into the art room at any time.

Thank you

Julie Kelly - Visual Arts teacher

The art of *shodou* (calligraphy), where an ink-dipped brush is used artistically to create Chinese *kanji* and Japanese *kana* characters, remains a traditional part of Japan’s culture. Late last term the Year 4-6 children participated in some calligraphy lessons with our TJFL participant, Miho Otsuka. Works of calligraphy are traditionally admired for the accurate composition of their characters, of course, but also for the way the brush is handled in their creation, the shading of the ink, and the balanced placement of the characters on the paper.

The Year 4-6 children were encouraged to enter their work in a Japanese calligraphy competition. You can find some of the quality entries, chosen by Miho, displayed in the main corridor. Miho also awarded First, Second and Third place getters in each year level. Congratulations to the winners, but also to every child who participated in the calligraphy sessions with such enthusiasm. *よくできました！Yoku dekimashita！Well done!*

TIME TRAVELLERS....the film

A small working group made up of representatives from University Third Age Altona and Altona Laverton Historical Society joined forces almost two years ago to apply for a grant from Hobson’s Bay City Council. The aim was to produce a short film recording the activities of people participating in seniors clubs throughout our community and to mount an associated exhibition.

It was decided local students might enjoy being involved in a community project producing artwork linking the different generations together in an imaginative way, providing works to be used in printed material, in the film and now on display in the exhibition.

We had an unexpected and very welcome surprise to realise our project was being used to introduce young students to the marvellous works of the French classical painter Matisse. Their wonderfully framed artwork is of an exceptionally high standard and we feel parents must be very proud of how well their children are being cared for at Williamstown North Primary School.

Thank you to Julie Kelly for organising the students and preparing the video accompanying the students’ artwork which is now on display at the Altona Homestead Museum, 128 Queen Street, Altona, open Tuesdays from 10am to 2pm and Saturdays 10am to 12 noon. There are other irregular times when the museum will be open until the exhibition ends on Friday 26 October. Information is available from Ann Cassar.

TIME TRAVELLERS....the film will be officially launched next Friday 12 October 2pm at the Altona Theatre, 115 Civic Parade, Altona (part of the Civic Centre complex). Readers of this newsletter are most welcome to attend and can reserve your seat by contacting Ann Cassar.

FETE News

CALLING ALL GARDENERS AND GREEN THUMBS!
We are hoping for a glorious display at the garden stall at next year’s Fete. If you are a bit handy in the garden you will know that Spring provides loads of opportunity for propagating plants. Why not look around the garden for some possible plant donations for our Fete next year. Well established potted plants sell very well at the Fete. You can start them off now, and by March next year they will be ready to donate to the garden stall. We would also like to provide more garden grown produce this year - which was very successful last year - so think about planting an extra tomato/cucumber/sunflower for the Fete!

All queries and questions welcome Virginia  vmtfk@internode.on.net
