Principal’s Report

NAPLAN RESULTS

The tables below summarise our school’s results for this year’s national testing in Years 3 & 5 (NAPLAN). All Year 3 & 5 students sat these tests in May this year. I trust you will find this information very interesting.

Overall the results are very robust with our school consistently achieving above state mean results in all but one area (Year 3 Spelling). When we receive these results, we analyse this data with the information that our teachers collect throughout the year. It then enables us to pinpoint the programs that need to be strengthened over time. We also need to consider that whilst there is much to celebrate in these results; we need to ensure that our results are comparable with schools from similarly advantaged circumstances.

This is the type of information we will look closely at over coming weeks as we put together our new Strategic Plan 2013 – 2016 which aims to focus our energies over the next four years so that we continue to improve in these important areas.

HOMEWORK POLICY

Over the last month the school has consulted widely with teachers and parents to update our Homework policy. Please follow this link [www.willynthps.vic.edu.au/app/webroot/uploaded_files/media/homework_policy_september_2012.pdf](http://www.willynthps.vic.edu.au/app/webroot/uploaded_files/media/homework_policy_september_2012.pdf) to have a quick read of this policy.

The main intention of the Homework policy is for students to reinforce their classroom learning at home with the aim of developing good study habits over time in preparation for future stages of learning.

Homework will also now be compulsory for all students in Years 3 – 6 and deemed highly recommended for students in Prep – Year 2. In preparing students for this...
expectation, students in Year 2 will undertake compulsory homework in Term 4 in order to support their transition into Year 3. We hope you find the new policy to be clearer with regards to the school’s expectations in this area, as well, the guidelines for your role in supporting your child’s homework, to be a little more helpful.

**INTERACTIVE WHITEBOARDS (IWB’S)**

I am pleased to report that all learning spaces across the school have now been equipped with an interactive whiteboard. This has been an enormous boost to our technology platform and will help to further enhance learning opportunities and student engagement levels for our students.

Whilst on this subject, I would like to also take this opportunity to congratulate Felicity Minton who has just been substantively appointed to Williamstown North Primary School as our eLearning Leading Teacher for the next four years.

**PARENT HELPERS FOR CHESS**

If you are someone who likes playing chess and might be able to spare an hour each week, then we would love to hear from you. We have just purchased giant chess pieces for use on our external chessboard on the Melbourne Road side of the school. We would love to roster some parents on at lunchtimes to help oversee and support any students who would like to play a game of chess. If you might be able to assist with this new venture for our students could you please let me know at cahill.jim.a@edumail.vic.gov.au

**HOW TO GET INVOLVED**

Willy North is a very dynamic learning environment; not a day goes past without something interesting and engaging happening! To this end, we highly value the time that parents are able to contribute in support of our schools programs and to further cement the partnerships that exist between the home and the school. Our Community Liaison subcommittee has just put together an overview of how parents can be involved at school. In particular, you’ll soon be hearing a little more about our plans to update our parent contact scheme in 2013. We hope you may be able to consider some of these opportunities in the future – as we always love to see more and more parents around the school.

Many thanks to Michael Lynch (parent) who has put together the enclosed flyer for ways to be involved at Willy North!

**STOP WORK ACTION**

A note was distributed to all families last week in regards to this Friday’s half day stop work. As detailed in this note, 20 of our classes will not be operating. We ask that children arrive from 12:35pm onwards on Friday as teachers will be present from this time. It is important that students not attend before this time as we will only have a handful of teachers present until 12:35pm. Thank again for your patience and support on this increasingly difficult situation.

**PARENTS CONTACTING PARENTS**

If your child has had a problem at school with another student, it is really important that you let the school know. Please do not contact other parents to work through any issues. Our experience has found that when parents approach each other over school based infractions, the situation becomes inflamed and this can have some quite serious consequences. Please don’t hesitate to call or email Wendy or myself if you would like us to follow up any school based matter.

**HOLIDAYS & EXTENDED ABSENCES**

If you are intending to take an extended family holiday during school term we would really appreciate it if you could email Wendy or myself and your child’s teacher to canvass this matter. We like to ensure that a strong learning framework is in place during extended holidays and to this end we will work with families to jointly determine some strategies that will help to ensure some degree of continuity in the learning programs.

If your child also experiences an extended absence due to illness, we would appreciate it if you could email your child’s teacher and Belinda Gill in the office (gill.belinda.a@edumail.vic.gov.au) with these details so that we can ensure this absence has been accurately recorded and processed on our system.

Enjoy your week.

Jim Cahill—Principal

FAMILY SCIENCE EVENING
All students and their families are invited to attend a Family Science evening on Thursday 8th November at Williamstown North Primary School. To inform us of your attendance at this evening, you are required to book online via our online booking system www.schoolinterviews.com.au and use the Event Code MGJET. The booking system was opened on Monday 8th October and it will close on Friday 19th October. This allows two weeks for you to book your attendance.
Give your parenting a spring clean

With spring in the air there is no better time for a little parenting spring clean to make sure you are on track to raise happy, confident and resilient kids.

Every parent I know wants to be the best parent they can be. Yet despite the best intentions it’s easy develop poor parenting habits that don’t do our kids any favours.

With spring in the air there is no better time for a little parenting spring clean to make sure you are on track to raise happy, confident and resilient kids.

Here is a checklist of 10 parenting ideas designed to help you put some psychological muscle on your kids:

1. Encourage effort and improvement more than results: Descriptive praise is better than generalities. Better still, as kids get older focus your comments more on effort, improvement and contribution then on results. And don’t make your kids reliant on what you think about them as their source of self-esteem.

2. Get kids to help without being paid: A little payment for jobs is okay, but don’t go overboard. Teach kids what’s in it for ‘we’ not ‘me’. By the way, the use of rosters is a great way to get kids to help.

3. Balance free time with organised time: For learning reasons (kids learn a lot when play and activities are self-directed) and mental health reasons make sure kids have plenty of MOOCH time.

4. NO deals with kids: If you bribe kids to behave well you teach them that they get what they negotiate. That’s hard work in family life. Better to give them a treat after they’ve behaved well as a show of appreciation rather than make their good behaviour contingent on a reward, also known as bribery.

5. Train your kids to speak for themselves: Give your kids the words they need to speak for themselves in all situations including when they are not with you.

6. When kids can, they do (make lunches, get themselves up, etc): Sometimes we do things for kids that make us feel like a mum or a dad. Your job is to make yourself redundant as a parent so teach your kids to do/make/speak for themselves and work your way out of a job. NB: You will never become redundant as a mum or a dad.

7. Don’t give them things just because they ask: Character is built through impulse control. Resist giving them what they want even if you have the capacity to do so. Waiting, saving and goal-setting are admirable skills that are developed through scarcity.

8. Give kids a chance to sort out their fights and squabbles: The default mechanism for most sibling conflict is compromise. We’ve just got to give kids a chance to work things out themselves. There are legitimate times to get involved but we need to know what we are doing and why.

9. Use consequences to develop responsibility: Don’t rescue kids when they leave that school lunch at home, when they are late for school or they are less than pleasant to another child. Allow consequences to teach your kids the important lessons of life. You mess up sometimes but you can make up and/or move on – and you can learn from the experience.

10. Put the camera down – be in the moment: Make sure your mind is where your body is and be fully present when you are with your kids. Take more mental pictures than photos and build their family memories.

This checklist is designed to stimulate some thinking and conversation about your current child-rearing practice. It’s not intended as a template for good parenting. It may even stimulate you to do less of some things and more of others. Incremental change is how we become better at most endeavours, including raising children.
Rosters...

Fresh Fruit Friday (FFF)
Due to the Stop work Action this Friday—Friday 19th October there will be no Fresh Fruit Friday. If you have any inquiries, please contact Linda Taylor at, taylor.lindal1@edumail.vic.gov.au. This is a very friendly and social group.

Canteen—Volunteers Needed!
Julianne Weir manages our Canteen and is always very appreciative of the time parents/family member can volunteer to help in the Canteen. Julianne can be contacted via the General office. New parent/family member volunteers are always needed, so if you can spare any of your valuable time it would be greatly appreciated.

The Roster for the next two weeks are: -

Thursday 18th October—Fran Mitchell
Friday 19th October—Kelly Walker

Wednesday 24th October—Meredith Metin
Thursday 25th October—Help Needed
Friday 26th October—Majella Snelling

Please remember that Lunch Orders are only available on Wednesdays, Thursdays & Fridays and No Lunch Orders are available on the Last Day of Each Term.

Uniform Shop News
Uniform Shop orders can be placed at the office and the order form can be printed out from the school website. The Uniform Shop is open on Mondays and Thursdays from 8.30am to 9.15am.

Reminders...

School Banking  School Banking day is Wednesday. Don’t forget to send in your child’s bank book.

Student Safety  Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:
- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principals or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

Early Release
All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

Working With Children Card (WWCC)
If you wish to assist in the Canteen, or with Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps you must have a Working With Children Card. WWCC application forms are available from our office. If you have a WWCC provide it to the office staff. It will be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the first group of our parents who received their WWCC in 2007, will need to renew their WWCC in 2012. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

Bikes & Scooters
Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.
A week is not enough—Artist in Residence Program

What a fantastic way to launch into Term 4 with music and dance filling both the corridors and the Gym of Willy North, and the school community coming together for Friday's Concert. The Artist in Residence program enables our students to be exposed to many worthy learning experiences: learning from each other; helping each other; working collaboratively; and appreciating the music and dance from another culture. Furthermore, Bernard is able to connect with our students in a positive, passionate and encouraging manner.

The Artist in Residence program plays a key role in defining Willy North's character and contributes significantly to achieving The Arts objectives. It was wonderful to see so many parents in the audience on Friday as a sign of your fantastic support for the students. The students were shining, and I would like to thank all Willy North students for participating enthusiastically. In particular, I would like to thank Josh McDonald and Ethan Farrell for rehearsing with Bernard, every lunch time in the lead up to the Concert and our team of Year 6 ushers.

Additional, I would like parent feedback on the Artist in Residence program. All you have to do is complete an Exit Pass on a post-it note with your response to the following questions:

**Question 1**: Two things I have learned from the Artist In Residence Program and Concert.

**Question 2**: One question I have?

All you have to do is post it on the door of the Performing Arts room.

I am Fran McCormick, catch you next week!
Ticket information
The Ticket Order envelope was sent home Monday 15th October, via the eldest child in each family. Once you receive your Concert Ticket Order envelope, this is the process:

1. Return the Ticket Order envelope to the class teacher, via your child, and not directly to the office.
2. This process commenced on Tuesday 16th October from 9.00am.
3. The envelopes are dated for seating priorities. Seats are allocated on first come first served basis (date the envelope is returned).
4. Concert tickets are $16.00 per person and students performing do not need to purchase a ticket.
5. We request a parent or adult to attend both nights of the Concerts.
6. Ticket Sales end Friday 2nd November and not 7th November as printed on the Ticket envelope.
7. Families requesting two separate envelopes, or have any ticket inquiries please call:

   Wendy Pels: 0403 702 734 or
   Veronica Hillhouse: 0422 163 177

Auditions
Auditions for various roles in the Concert will take place throughout this term. The audition process, is open and transparent, it has explicit guidelines and is conducted by a team of teachers. Auditions for the comperes is open to students in Years 5 and 6.

Parent Helpers
Parent Helpers are centrally important to the smooth running of the 2012 CONCERT. Wendy, Veronica and Melissa will be calling for helpers in the upcoming weeks. After reviewing the 2011 CONCERT, a key recommendation was that helpers, essentially ushers must be adults and not secondary students. The only exception are those that help backstage.
ART NEWS

This week's Artist of the Week Award has been awarded to Isabella Grant for her excellent effort and commitment to achieve the best she can when working on her Monet and Cezanne inspired landscape paintings. Well Done!

The Art room still requires more 1.25 litre plastic bottles. Please drop these items into the Art room if you have them.

Thank you

Julie Kelly - Visual Arts teacher

School Concert

Dear Williamstown North School Community,

We are inviting you to assist us, once again, in celebrating the Williamstown North Primary School end of year Concert 2012, by becoming a Community Patron Sponsor. The school is looking for a donation of $50, $100, $150, $200 or more, to become a Community Patron of our event. The School Concert is a non-profit event.

Our school Concert is a major celebration for the Williamstown North Community and tickets are much sort after. This year, due to the high demand for tickets, we have again extended our Concert over two nights. Students, parents and the local community join in the celebrations at the Williamstown Town Hall on Wednesday 12th December and Thursday 13th December. We anticipate that all tickets will be sold, with over 1,300 people attending the two Concert nights.

All Sponsors are acknowledged in the following ways:

- Advertising in our School Newsletter;
- Logo/Advertisement of your company put up on a Multimedia 12’ X 9’ Screen by the stage;
- Verbal acknowledgement on the night from our Principal/Assistant Principal;
- Acknowledgement/advertising on the Concert program book;
- Logo/Advertisement of your company on our promotional t-shirts worn by all staff in the lead up to the Concert and on both nights of the Concert;
- Continuous advertising on the schools website from 1st December through to 1st February 2013.

If you could support this wonderful event by becoming a Community Patron Sponsor, please send a cheque made payable to Williamstown North Primary School, or alternatively contact Veronica Hillhouse, Sponsorship coordinator on 0422 162 177, or email: veronical1@live.com.au.

Please include a digital or hard copy of your logo for advertising purposes. The Williamstown North Primary School, school community greatly values your commitment and sponsorship.

Yours sincerely,
Fran McCormick
