Principal’s Report

SEAT BELTED BUSES
After much recent discussion at School Council, the school has updated its policy in regards to using non-seat belted buses for local excursions. In the past, where availability of seat belted buses has been a problem, many schools have implemented procedures whereby short trips could be undertaken with non-seat belted buses where travel on no major roads were involved and if it was considered to be a relatively safe route. This also helped to keep the cost of local excursions to a minimum.

Over recent years, bus companies have continued to update their fleet of seat belted buses and availability has significantly improved. Consequently, we are increasingly finding that the cost of hiring these buses has also become more competitive. Given all of these factors, the school will no longer use a bus without seatbelts for any excursion, camp or program off site. Whilst this may equate to some of our local excursions being marginally more expensive to undertake, more importantly this new direction will help to optimise the safety and wellbeing of all of our students.

ROCKAPEDIA
I look forward to seeing many parents and staff at the Rockapedia night this Friday evening at the Newport Substation. I’ve had many reports that this has been a wonderful event in past years, so I’m really looking forward to my first Willy North social event. I’ll provide a full report in next week’s Newsletter!

HOMEWORK POLICY
We’ve had some really positive feedback over the last week about our new homework policy. If you haven’t had a chance to have a quick read of this policy, please follow this link www.willynthps.vic.edu.au/app/webroot/uploaded_files/media/homework_policy__september_2012.pdf

Our homework policy aims to:

2.1 To assist students to develop organisational and time-management skills, self-discipline skills in using out-of-school resources and personal responsibility for learning.

2.2 To provide opportunities for parents/guardians to participate in their child’s learning and to be exposed to a range of activities/aspects of the curriculum students are working on in their classroom.

The new policy also outlines the expectations at each level of the school as well as the roles of parents, staff and students. Please note that homework is now considered compulsory for all students from Years 3 – 6.

ENJOY THE LSL LINDA CAMPBELL
Linda Campbell (Business Manager) is taking some well-earned long service leave at the end of this week and will be back on Monday 12th November. We have our fingers crossed that this Saturday will be a beautiful day for her daughter’s wedding!

WORLD TEACHER’S DAY
Friday 26th October is World Teacher’s Day. This is a great opportunity to take a moment...
to think about the wonderful job our teachers do every day to support and nurture the development of all children they teach. I know the Willy North teachers put in many hours above and beyond to do the best for every child – I’m sure you’ve seen this high level of commitment is many ways over the course of the year. Maybe you could think of a small way of saying thank you to your child’s teacher this Friday as part of World Teacher’s Day?

**Stop Work Thanks**

I would like to express my sincere thanks to all members of our school community for the understanding and patience regarding the ongoing industrial action by members of the Australian Education Union. Only two students needed to be reallocated to classes last Friday morning which made the morning very manageable for the teachers and students who were present.

In addition to the stop work bans, further plans are in place at present which are restricting some of our planning mechanisms for 2013. Bans are also in place in regards to student reports at the end of the year which will see all students graded against the Victorian Essential Learning Standards (VELS) but no comments will be provided to elaborate on each child’s marks.

We are hopeful that this industrial action is resolved soon. I will certainly keep you posted via the Newsletter as this process unfolds.

Enjoy your week.
Jim Cahill—Principal

Let the consequences do the teaching

Behavioural consequences are a parent’s best friends. When consistently applied consequences will improve kids’ behaviour and increase personal responsibility.

Too often parents will overtalk or repeat themselves to get cooperation from their kids. Too much talk and most modern kids tune out.

Alternatively, parents who protect their kids from the consequences of poor or selfish behaviour aren’t doing them any favours as they are robbing them of terrific learning opportunities.

I love the notion of behavioural consequences as they teach kids to take responsibility for their lives and to make smarter choices.

Parents can use two types of consequences – logical and natural consequences.

A logical consequence is used more frequently in family situations. They require adult intervention and are used when their behaviour disturbs other people. A child who makes a noise in the family room is asked to leave; children who refuse to clean their toys lose them for a period of time, and teenagers who come home late from a party lose the right to go out next time.

The 3 R’s of consequences

Consequences often involve the withdrawal of a privilege or a right. For example, a teenager who spends more time than agreed on Facebook, may lose access to technology for a day or two.

Restitution, or making up to someone for unfair treatment or for loss of a possession is another form of consequence. A child who willfully breaks his sister’s toy may make full or part payment for a replacement. In both these examples the consequences are related to children’s misdemeanours, and are reasonable and respectful of their dignity.

A natural consequence involves NO adult interference. For instance, a child who leaves an excursion note at home will miss the excursion; a child who spends all his pocket money on the first day will have nothing for the weekend and a child who oversleeps and misses the bus walks to school. In these examples, children learn from the direct consequences of their own decisions and thus they are not protected from negative outcomes from their parents.

“It’s your fault, mum!”

Some kids are experts at manipulating their parents to rescue them from experiencing the consequences of their poor choices. They’ll blame their parents for not getting them out of bed on time, or for not reminding them about their responsibilities. It’s best to stand back and let the consequences work their magic! Note you shouldn’t use natural consequences when safety is an issue. Act decisively to ensure your child is safe.

Here are four simple tips to help make sure your consequences are effective:

Tip 1: Set consequences like a neutral cop.

Issue a consequence using sarcasm or anger and your kids will be angry at you. Issue it like a neutral cop free from emotion or without being heavy-handed and your kids are more likely to be mad at themselves.

Tip 2: When possible, negotiate consequences prior to engaging in new activities.

If your young person is going out for the first time with friends at night, talk about their behaviour and home time. Also discuss the likely consequences if kids don’t stick to the agreement. As a rule, kids are more likely to abide by consequences when they’ve had a say in deciding them.

Tip 3: Avoid life sentences.

Ban a child from going out for a few days rather than leaving the duration open-ended. Set a time-frame for the consequences and remember the second of the 3R’s – reasonable – means that parents shouldn’t go overboard with consequences.

Tip 4: Don’t acquiesce to terrorism... or guilt.

If your child issues a threat saying something like, “There’s no way you can make me come home at six o’clock,” don’t rise to the bait. Deflect it by saying, “We’ll talk about this tomorrow.” Don’t give into the threats of running away or non-cooperation. “I hope you don’t run away. It’s great having you at home. I want what is best for you.” Avoid stating what you would love to say, which maybe something like, “Yeah, try running away. You wouldn’t last inside two days before you are back here begging for a good feed and comfortable bed!”

Bite your tongue instead, and let the consequences do the teaching!

---

**Reminders…**

**School Banking**  School Banking day is Wednesday. Don’t forget to send in your child’s bank book.

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principals or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

---

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, or with Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps you must have a Working With Children Card. WWCC application forms are available from our office. If you have a WWCC provide it to the office staff. It will be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the first group of our parents who received their WWCC in 2007, will need to renew their WWCC in 2012. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

---

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**
Students reflect on their learning: Artist in Residence Program.

I always find it illuminating reading students’ reflections on their learning. I would like to share with you three students’ insights on the Artist in Residence Program. As the students read their responses to me, it was a serendipitous classroom moment, and one I do not want you to miss out on. Please have a read and discover for yourself the nuances in the discussions, or come to the Performing Arts room and read them all—they fill the walls!

**Student A in Year 4: Two things I have learned.**
1. I have learned how to use the Poi.
2. I have learned about being confident and to push my comfort zone.

**A question I have.**
Do different cultures believe in the same things?

**Student B in Year 6: Two things I have learned.**
1. I have learned that a good way of teaching is when you actually show people how, instead of just explaining.
2. I have learned that it is important to know about and respect different cultures.

**A question I have.**
Do different cultures believe in the same things?

**Student C in Year 2: Two things I have learned.**
1. I have learned that it is good to try new things from different cultures.
2. I have learned that Bernard is the right person to learn from.

**A question I have.**
Why did the learning and dancing have to end?

In summary, it is centrally important that the arts create a broad and eclectic array of learning opportunities that make subject matter come alive for students who learn in a variety of ways.

I will leave you with this quote from Robyn Ewing, a leading Australian educator in the Arts (2010, p.9),

*The arts play a central role in the identities and cultural practices of all indigenous peoples. They are perhaps the most defining elements of humanity, for as George Bernard Shaw (in Gire, 1996) wrote, ‘the Arts are the window to the soul’.*

I am Fran McCormick, catch you next week!
**Ticket information**

3. The envelopes are dated for seating priorities. Seats are allocated on first come first served basis (date the envelope is returned).
4. Concert tickets are **$16.00 per person** and students performing do not need to purchase a ticket.
5. We request a parent or adult to attend both nights of the Concerts.
6. **Ticket Sales end Friday 2nd November and not 7th November as printed on the Ticket envelope.**
7. Families requesting two separate envelopes, or have any ticket inquiries please call:

   - Wendy Pels: 0403 702 734
   - Veronica Hillhouse: 0422 163 177

**Auditions**

Auditions for various roles in the Concert will take place throughout this term. The audition process, is open and transparent, it has explicit guidelines and is conducted by a team of teachers. Auditions for the comperes is open to students in Years 5 and 6.

**Parent Helpers**

Parent Helpers are centrally important to the smooth running of the 2012 CONCERT. Wendy, Veronica and Melissa will be calling for helpers in the upcoming weeks. After reviewing the 2011 CONCERT, a key recommendation was that helpers, essentially ushers must be adults and not secondary students. The only exception are those that help backstage.
ART NEWS

This week's Artist of the Week Award has been awarded to Brook Goddard in Year 4I for his excellent effort and attention to detail when working on his paper mache character. He was able to share his understanding that he had discovered. By focussing and paying careful attention, Brook was able to achieve a far better result. Well Done!

Also, the Art room still requires more 1.25 litre plastic bottles. Please drop these items into the Art room if you have them.

Thank you

NATIONAL BANDANA DAY  
FRIDAY 26TH OCTOBER

Williamstown North Primary School will be participating in National Bandana Day on Friday 26th October. National Bandana Day is a great opportunity for everyone in the community to show their support for young people living with cancer.

On Thursday and Friday of this week and all of next week, the JSC members will be selling bandanas for $4.00 at lunchtime, near the school flag pole. The money raised from the sale of bandanas goes towards the organisation CanTeen.

Wearing a CanTeen bandana on Friday 26th October is a powerful gesture that shows the thousands of young Australians who are suddenly confronted each year with a cancer diagnosis – either as a patient, sibling or offspring – that you support them. With the help of funds raised on National Bandana Day, now in its 18th year, CanTeen provides programs, services and resources to help them deal with the emotional, physical and practical issues of living with cancer, so they can take back control of their lives.

Thank you for your support and we look forward to seeing you wearing your bandana.

Movember

It is that time of year again when something strange happens to the men of Melbourne. You may not notice it straight away, but it will definitely grow on you. It is Movember and the men of the town are growing moustaches to help raise money and awareness for men’s health throughout the month of November.

Men are notorious at skipping trips to the doctors, to the detriment of their health. As the problem of Prostate Cancer and Depression grows in society, we must take a stand to help out in any way we can.

This year, Williamstown North Primary School, Simon Corcoran a Year 4 teacher, will be asking children and families to save up their 10 cent pieces and bring them into school as donations. Each class will have a running tally of their donations with the winning class set to celebrate in style with prizes galore!

So gather up those pesky silver nuisances in the bottom of your purse, or behind the couch, ask your Grandma or Uncle to collect them as well, get the whole family on board, and bring your 10 cent pieces to school. Remember, the more you bring, the more chance you have to win!
School Concert

Dear Williamstown North School Community,

We are inviting you to assist us, once again, in celebrating the Williamstown North Primary School end of year Concert 2012, by becoming a Community Patron Sponsor. The school is looking for a donation of $50, $100, $150, $200 or more, to become a Community Patron of our event. The School Concert is a non-profit event.

Our school Concert is a major celebration for the Williamstown North Community and tickets are much sort after. This year, due to the high demand for tickets, we have again extended our Concert over two nights. Students, parents and the local community join in the celebrations at the Williamstown Town Hall on Wednesday 12th December and Thursday 13th December. We anticipate that all tickets will be sold, with over 1,300 people attending the two Concert nights.

All Sponsors are acknowledged in the following ways:

• Advertising in our School Newsletter;
• Logo/Advertisement of your company put up on a Multimedia 12’ X 9’ Screen by the stage;
• Verbal acknowledgement on the night from our Principal/Assistant Principal;
• Acknowledgement/advertising on the Concert program book;
• Logo/Advertisement of your company on our promotional t-shirts worn by all staff in the lead up to the Concert and on both nights of the Concert;
• Continuous advertising on the schools website from 1st December through to 1st February 2013.

If you could support this wonderful event by becoming a Community Patron Sponsor, please send a cheque made payable to Williamstown North Primary School, or alternatively contact Veronica Hillhouse, Sponsorship coordinator on 0422 162 177, or email: veronical1@live.com.au.

Please include a digital or hard copy of your logo for advertising purposes. The Williamstown North Primary School, school community greatly values your commitment and sponsorship.

Yours sincerely,
Fran McCormick
