Principal’s Report

DRAFT SCHOOL PURPOSE STATEMENT

As part of our whole school review process, we are currently undertaking extensive consultation with students, staff and parents to identify the core purpose of Williamstown North Primary School. This will underpin our directions and plans as a school over the next four years. We have distilled all of the feedback from the recent community forum and the staff training day and our draft purpose statement currently reads as:

‘Williamstown North Primary School is a dynamic and inclusive learning community that promotes personal excellence, creativity and empowerment.’

I would like to invite further feedback from the school community about this second draft. Does it capture the essence of what this school’s purpose is from your experiences and perspective?

It has been extremely difficult to sum up all that happens at Williamstown North Primary School into one short sentence and as you can imagine we have had considerable debate to get to this second draft. But I would like to emphasise that it is still in a draft stage and I would really value any feedback from our school community before we move forward into the next stage of the review. Please let me know what you think by dropping me a line at cahill.jim.a@edumail.vic.gov.au.

FAMILY LIFE THANKS

We had a terrific response to the Family Life sessions held last Tuesday 21st August. I hope that parents found these sessions to be informative and helpful for providing strategies to tackle those sometimes difficult ‘birds and bees’ questions. I would like to sincerely thank Hazel Finnie (parent) for organising these sessions and overseeing their implementation on the night.

GOOD LUCK TO OUR YEAR 3 & 4 CAMPERS

Best wishes to all of our Year 3 and 4 students who excitedly set off to Phillip Island today (Wednesday) for their annual camp. They will participate in a fabulous program of activities over the next three days and no doubt returned elated and exhausted on Friday afternoon.

We have a large cohort of teachers and parents attending the camp to ensure that we have one adult to every ten students as mandated by the Department of Education & Early Childhood Development (DEECD). An enormous amount of time and energy has gone into the planning of the camp by our dedicated team of Year 3 and 4 teachers, so we can be confident that everything will run like clockwork. I can’t wait to hear all about the adventures and personal triumphs upon their return on Friday!

IMPELLING INDUSTRIAL ACTION

At this stage the state government and Australian Education Union (AEU) seemed to be at somewhat of a stalemate in the current round of industrial negotiations. Given this, it would appear that the stop work action planned for Wednesday 5th September is likely to proceed. I am anticipating that this will have a significant impact on our school with...
many teachers supporting this stop work action. I would appreciate it if you could note this date in your diary and begin to make alternative arrangements on this day. I will confirm which classes will not be operating on this day as soon as possible. As you can imagine this is a very difficult decision for our staff who are always so committed to their students. I thank you in anticipation of your support on this important matter.

**FATHER’S DAY STALL THANKS**
A huge thank you to two of our terrific parents, Davena Toplis and Jo Gumley for the many hours that went into organising this year’s Father’s Day Stall. There was a great selection of items on sale at the stall. I’m sure dads will be ‘delighted’ to receive those well chosen gifts this Sunday. I hope all dads enjoy some special family moments this Sunday.

**ROAD SAFETY PLEA**
You will have noticed some recent changes undertaken by the council to further manage the traffic flow in Station St. These measures have been introduced to optimise safety for all students and adults who use this area daily. We understand that these measures may necessitate a little more patience during peak times, especially when attempting to obtain a car park. It is not acceptable to double park to let children out of the car or park over the crossing. We really need everyone’s assistance on this important matter to ensure that every single Williamstown North Primary School student arrives at or leaves school safely. Thank you.

**WEBSITE—WENT LIVE OVER THE WEEKEND**
Our school website went live over the weekend. If you try a link and it doesn’t work, could you please send Belinda an email gill.belinda.a@edumail.vic.gov.au some of the links were lost as the file was transferred over. All will be rectified over the next couple of weeks. Thanks for your patients.

**ROCKAPEDIA TRIVIA NIGHT**
The tickets for the Rockapedia Trivia Night have gone on sale. Tickets are $25.00 each and the tables seat 8 people. If you are attending the Trivia Night could you please purchase your ticket/table before the end of Term 3, so the preparation for the event can be organised. If you have any questions regarding the tickets sales contact Renae Cadman on 0419 960 446 or Kerryl Drake on 0414 939 544.

Enjoy your week.

**LIMELIGHT DRAMA PERFORMANCE**
At the end of term 3, Limelight Drama performance will perform on Wednesday 12th September at lunch time. It will be during the students regular class in the Junior Learning Centre and is open to parents and other students to attend.

**WNPS SOCIAL SKILLS**
At Willy North, we are focusing on an identified ‘Social Skill’ and associated behaviours linked to our School Values and the You Can Do It! Keys. These are reinforced at Monday Assembly, in classrooms and Specialist classes. Exemplary students consistently demonstrating these skills will be nominated for the weekly ‘Thumbs Up Award’ which is presented at Monday’s Assembly.

We encourage all parents to discuss the weekly social skill and associated behaviours with your child/ren.

This week we are continuing our focus on: **Being Positive**

Being a great dad

Modern dads want to be close to their kids. They want to know what’s going on in their kids’ lives and they want to be hands on.

Today, involvement in their kids’ lives is the mantra of most fathers. Most men want to be more than breadwinners, and want to share in as many aspects of parenting as practical. They want to know what’s going on in their kids’ lives and they want to be hands on.

In fact, many dads tell me that they want a better relationship with their children, particularly their sons, than they had with their own fathers. Sadly, many men still don’t enjoy a close relationship with their fathers, but they are determined to change things with their own kids.

Here are seven ideas to help you form close relationships with your kids, and maximise your effectiveness as a parent and a partner:

1. Find something in common with your kids

Dads relate better with their children when they have something in common. Finding that common bond can be tricky though. Many men relate to their kids while being active, and teach them important lessons through games and play. But if sport is not your bag, find something else that you and your kids have in common.

A common interest is a great help for fathers who live apart from their kids who are looking to maximise the time they have with them.

2. Tell your sons you’re proud of them

Boys want their dads to be proud of them. They just want to hear their dads say, “I’m so proud of you and what you do!” Some dads struggle getting those words out! It’s not so much that they are not proud, it’s just that many dads want their sons to be better. Some dads need to be careful not to push their sons too hard or turn every game into a lesson. That’s when boys turn off their dads.

3. Don’t wimp out on discipline

Dads are traditionally the kings of play, but they can go missing when it comes to discipline. They get their kids excited in a game before going to bed, then they expect their partner to settle them down. Both parents can take their share of managing children’s behaviour.

4. Treat your daughters well

There are strong links between close fathering and the healthy development of girls. Dads teach their daughters strong lessons about how they should be treated by males. So dads need to treat their daughters respectfully so they learn to expect this treatment in their future relationships with men.

5. Say goodbye Superman, hello Clarke Kent

Adolescent boys are programmed to challenge their fathers. It’s part of growing up. Author John Marsden refers to this phenomenon as the ‘old ram, young ram syndrome’. Verbal jousting matches are a popular father-son game in which boys take great delight in proving their fathers are fallible. A dad at this stage needs a sense of humour as well as a willingness to stand back and allow other mentors in to his son’s life.

6. Support your partner

Fathers may play an integral part in the lives of their children but they also have a profound effect on the quality of mothering that children receive. A woman who can share the emotional and financial burdens of child-rearing with a supportive partner is more likely to be a loving, affiming mother.

7. Change as your child changes

They’re children one day and teenagers the next. The most effective dads are those who change their parenting to suit the needs of their kids at each stage of development, rather than stubbornly hold to outdated ideas of how they think their kids should be.

Fathers who are little apprehensive or lack sufficient confidence should become involved in as many aspects of parenting as they can. The best way to learn about parenting is by doing it.

By being alert, watchful and listening to their children fathers can learn all they need to know about parenting.

Reminders...
School Banking
School Banking day is Wednesday. Don’t forget to send in your child’s bank book.

Student Safety
Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:
- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principals or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

Early Release
All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

Working With Children Card (WWCC)
If you wish to assist in the Canteen, or with Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps you must have a Working With Children Card. WWCC application forms are available from our office. If you have a WWCC provide it to the office staff. It will be photocopied and a copy place on file. A WWCC remains valid for five years.
Please note, this year, the first group of our parents who received their WWCC in 2007, will need to renew their WWCC in 2012. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

Bikes & Scooters
Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.

ART NEWS
Congratulations to Ronan O’Connor who was awarded the Artist of the Week Award at assembly on Monday. Ronan is the first student to be given this award which will be a weekly ongoing award presented at assembly and posted in our school newsletter. The award will be given to students who have shown outstanding skill levels and or effort and persistence during their Visual Art sessions.
Ronan received his award due to the enormous improvement he has made in focusing and persisting with art tasks resulting in him producing some marvellous pieces of art work based on our study of the artist Paul Klee.
Well done Ronan!
Over the next couple of weeks, students art pieces that they have been working hand on over the course of this term will be put up in the corridor in place of the existing artwork being displayed at present.
The students in each level have been focusing on various artists and they have produced some fantastic artwork, so please keep an eye out as you move through the main building.

HOBSON’S BAY SENIOR’S WEEK.
On Monday a number of students, from Prep to Year 2, ‘Senior Portraits’ were selected and have been collected for an exhibition to be held during Seniors Week.
