2013 Class Structure
Planning is well underway for next year and after extensive consultation with staff, the following structure has been determined to accommodate our anticipated enrolment of approximately 625 students. Of particular interest, is the additional class at the Prep level as well as the multi-age class at Years 3/4. Overall, most classes will be around the mid-twenties which we feel will help to provide optimal learning conditions for all students.

We continue to field enrolment inquiries each day and so it is very difficult to determine the exact numbers in every class and if by chance we receive an influx of ‘in zone’ enrolments in a given area we may need to fine tune this structure. Having determined this structure, teachers have been involved in quite lengthy discussions as to where these classes would be best accommodated within our current facilities. One of the main parameters guiding this decision making is the preference to keep classes at each year level nearby to each other. We hope to have this confirmed shortly and I will share this through the Newsletter when this has been determined.

The anticipated Class structure for 2013 is:
- Prep 5 classes (approximately 23 students)
- Year 1 4 classes (approximately 24 students)
- Year 2 4 classes (approximately 23 students)
- Year 3 3 classes (approximately 25 students)
- Year 3/4 1 class (approximately 24 students)
- Year 4 3 classes (approximately 24 students)
- Year 5 3 classes (approximately 26 students)
- Year 6 3 classes (approximately 26 students)

SCHOOL REVIEW FEEDBACK
Last week our school reviewer, Jenny Brown, presented a summary of her review findings at School Council. Whilst there was much to celebrate about the school’s achievements over the last four years, Jenny also outlined several areas for further development of the next four years to ensure that our wonderful school continues to strengthen the opportunities we provide for our students.

Jenny identified three key goals for the school to pursue and we are currently in the process of developing extensive plans to ensure these goals are met by the end of 2016. These goals will provide the focus for our new Strategic Plan.

In student learning, our central goal will be:
To maximise student achievement and learning growth through the School, particularly in Literacy and Numeracy.

In student engagement and wellbeing, our central goal will be:
To provide a safe, stimulating, student-centred learning environment which
engages and motivates all students.

In student pathways and transitions, our central goal will be:

To provide all students at Williamstown North Primary School with positive transition experiences into, through, and from the school.

Central to all of these goals, will be a strategic focus to ensure that an increasing number of students at Williamstown North achieve above expected standards and within a range that is comparable to schools in similarly advantaged areas.

Last Monday, our school leadership team spent seven hours building the action plans for each of these goals. Extensive consultation will be undertaken with staff over the coming weeks and we hope to have our new Strategic Plan finalised before the end of the year. More to come in future Newsletters!

UNIFORM SURVEY

As explained in last week’s Newsletter, we are currently reviewing our Uniform shop arrangements to determine the type of structure that would best meet the needs of our school community in the next three to five years. I was a little disappointed to receive only twelve responses to a short survey in last week's Newsletter and the information received from this survey was fairly divided.

In regards to the first questions about the convenience of a retail outlet in which to purchase uniforms, 50% of the responses were in favour of this and the other 50% indicated that this would not be more convenient.

Three possible retail destinations were proposed in the survey; again the responses were very divided with 50% indicating a preference for Port Melbourne and the other 50% preferred Laverton.

The opportunity to purchase school uniform online received a strong endorsement with 75% of the responses in favour of this service.

Further to the survey results, another small group of parents indicated that they would appreciate a regular opportunity to purchase second hand uniform at the school. Possibly in the current uniform shop if this is relocated off site.

Please be assured that we understand the sensitivity around this important function for our school and the key focus will be to try and improve this service for all parents.

The survey is included again in this week’s Newsletter for any more feedback.

GOOD NEWS/BAD NEWS

On behalf of the school community, I would like to congratulate Simon Corcoran on his appointment to Westbourne Grammar in 2013. I know this has been a difficult decision for Simon who has been heavily committed to Willy North, however this appointment will provide new career opportunities for Simon in coming years. Whilst we will all be very sad to see Simon leave us at the end of the year, I know that everyone will wish him well in this new professional endeavour.

SCIENCE NIGHT

I look forward to engaging with students, parents and teachers at tomorrow night's Science Night. Our resident science guru, Jamie Peters, has been flat out over the last week organising all aspects of the program. It should be a lot of fun – see you there!!

PROFESSIONAL LEARNING COMMUNITY SUMMIT

Wendy and I along with a number of senior staff will be attending a summit next Monday and Tuesday, where we will be working with international consultants on the important topic of Professional Learning Communities (PLC). You will hear a lot more about our PLC structures across the school over the next twelve months as we redevelop many of our internal structures to further align with the PLC principles. Please note that Felicity Minton and Sarah Nobbs will be providing administrative support as Acting Principals during our participation at this summit.

Enjoy your week.

Jim Cahill—Principal
Which would you choose for your child - I.Q. or persistence?

It will impact heavily on your child’s success at school, his future levels of achievement and eventually income as an adult.

Imagine at the birth of your child you are given a choice between bestowing great intelligence or great persistence on your baby. Which would you choose? Take your time and think about it.

Your choice will make a profound difference. It will impact heavily on your child’s success at school, his future levels of achievement and eventually income as an adult.

Smarts or persistence? What would you choose? If you chose persistence then you are on the money. You are giving your child a significant leg-up for future success.

This is the finding of the ground-breaking research into factors determining children’s achievement levels by Professor Charles Desforges from the University of Exeter in the UK. Desforges found that the greatest individual characteristic that determined children’s success at school was persistence. It was number one by far.

In fact, persistence was a staggering seven times more significant than intelligence as a determinant of a child’s achievement.

SEVEN TIMES!! THAT’S HUGE!!

Now the good news is that persistence is not merely an inborn trait. It is the one aspect of a child’s temperament that can be impacted by people.

Desforges found that parents, rather than teachers, are the people most likely to impact on a child’s persistence. This is consistent with many other studies in the area.

What does a persistent child do?

Persistent kids do some or all of the following:

- They stick at tasks until the end.
- They set goals and work toward them.
- They are not easily distracted.
- They don’t let failure stop them.
- They are more likely to take risks as learners.
- They can sometimes be seen as stubborn or unwilling to bend.

There are heaps of ways you can encourage your child to persist. But the BIG strategies all revolve around MODELLING, ENCOURAGEMENT and VOCABULARY.

As a parent think how you:

1. Model persistence on a daily basis so your child sees what persistence is.
2. Actively foster and promote persistence so your child sees it is possible.
3. Develop a set of words and phrases about persistence that your child hears routinely so that persistence becomes part of your child’s frame of reference.
4. Make a fuss when your child sticks at a task regardless of their success so they know that it is something you value.
**Rosters…**

**Fresh Fruit Friday (FFF)**

Roster for Fresh Fruit Friday for Friday 9th November are: Anita Drakulic, Martin Ray, Leah Hollo, Ivana Musura, Simone Logan, Anne Fowler and Tanya Regan.

If you would like to be part of this lovely group on a Friday morning in Term 4, contact the school coordinator, Linda Taylor at, taylor.linda.l1@edumail.vic.gov.au. This is a very friendly and social group.

---

**Canteen—Volunteers Needed!**

Julieanne Weir manages our Canteen and is always very appreciative of the time parents/family member can volunteer to help in the Canteen. Julieanne can be contacted via the General office. **New parent/family member volunteers are always needed**, so if you can spare any of your valuable time it would be greatly appreciated.

The Roster for the next two weeks are:

- Thursday 8th November—Paola Flores
- Friday 9th November—Helen Gibb
- Wednesday 14th November—Meredith Metin
- Thursday 15th November—Help Needed
- Friday 16th November—Majella Snelling & Lisa Robertson

Please remember that Lunch Orders are only available on Wednesdays, Thursdays & Fridays and No Lunch Orders are available on the Last Day of Each Term.

---

**Uniform Shop News**

Uniform Shop orders can be placed at the office and the order form can be printed out from the school website. The Uniform Shop is open on Mondays and Thursdays from 8.30am to 9.15am.

---

**Reminders…**

**School Banking**  School Banking day is Wednesday. Don’t forget to send in your child’s bank book.

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principals or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

**Early Release**

All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, or with Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps you must have a Working With Children Card. WWCC application forms are available from our office. If you have a WWCC provide it to the office staff. It will be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the first group of our parents who received their WWCC in 2007, will need to renew their WWCC in 2012. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribctic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**
Ticket information

Ticket sales ended last Friday 2nd November. For all ticketing queries please call:

Wendy Pelns; 0403 702 734 or Veronica Hillhouse; 0422 163 177.

Auditions

The first round of Auditions for the role of compere have been completed. A call up process will commence this week. The audition process has explicit guidelines and is conducted by a team of teachers. Auditions for the comperes is open to students in Years 5 and 6.

Parent Helpers

Parent Helpers are centrally important to the smooth running of the 2012 CONCERT. Wendy, Veronica and Melissa will be calling for helpers in the upcoming weeks. After reviewing the 2011 CONCERT, a key recommendation was that helpers, essentially ushers must be adults and not secondary students. The only exception are helpers working backstage.

Special Thank you to our 2012 CONCERT Sponsors:

Brandon and Noah Lewis

**Financial Assistance - Information for New Parents**

Financial assistance available to parents with children commencing school in 2013

**Education Maintenance Allowance (EMA):**

The Education Maintenance Allowance (EMA) is provided by the Victorian Government to lower-income families to help with education-related costs.

If you have a child under 16, and hold a valid Health Care Card, Pension Card, or are a temporary foster parent, you may be eligible to receive the EMA. The allowance is paid in two instalments, one in March and one in August.

The payment is intended to assist with education-related costs such as uniforms, excursions, textbooks, and stationery. You can elect to have your EMA paid in one of the following ways:

- Paid by direct deposit (Electronic Funds Transfer) into your own nominated bank account; or
- Paid to the school to be held as credit which you can use towards education expenses; or
- Paid by cheque which will be posted to the school for collection.

In 2013, the annual EMA amount is:

- $200 for prep students
- $150 for students in years 1 – 6.
- $300 for year 7 students
- $250 for students in year 8 – until age 16.

How to Apply: Contact the school office to complete an application form for the EMA.

Closing Date: Parent/guardians need to lodge an EMA application form by 28 February 2013.

**Schoolkids Bonus:**

From January 2013, a new payment called the ‘Schoolkids Bonus’ will be introduced by the Commonwealth Government. The Schoolkids Bonus will be paid by Centrelink in January and July each year to help families with school costs.

Families receiving Family Tax Benefit Part A will receive:

- up to $410 for each child in primary school
- up to $820 for each child in secondary school.

ART NEWS

Thank you so much to those families who have delivered plastic bottles to the Art room last and this week. It is much appreciated! We are still in need of a few more, so please keep them coming.

This week's Artist of the Week Award has been awarded to Pierce Farrell in Year 2V for using advanced design and creative thinking skills when completing a construction challenge last week.

Thanks,
Thank you
Julie Kelly - Visual Arts teacher

Family Science Evening Update

For the parents and children that are attending our Family Science Evening, we are looking forward to seeing you tomorrow night.

The evening is designed for parents/guardians and families, together with their child/ren and teachers, to share in fun and challenging hands-on Science activities.

Please check your child’s bag today to find the outline of the evening’s activities, timetable and room allocation.

Jamie Peters—Science Coordinator.

WNPS SOCIAL SKILLS

At Willy North, we are focusing on an identified ‘Social Skill’ and associated behaviours linked to our School Values and the You Can Do It! Keys. These are reinforced at each Monday Assembly, in classrooms and Specialist classes. Exemplary students consistently demonstrating these skills will be nominated for the weekly 'Thumbs Up Award' which is presented at Monday’s Assembly.

We encourage all parents to discuss the weekly Social Skill and associated behaviours with your child/ren.

This week we are continuing our focus on: ‘The Next Step’

Dear Parents,
We are continuing to develop our Classroom Libraries which are used by all students. Recently Ms Emin brought along over two hundred books to add the libraries.
Now we are asking you to check your cupboards for books that your children no longer read.
Our libraries will be in all classrooms from Prep to Year 6 so we would appreciate donations of all kinds of children’s books, including non-fiction texts. If you have any books to donate, they can be left in the box outside my office which is next to the Reading Recovery office in the Junior Learning Centre.
Thank you for supporting the improvement of our Classroom Libraries.

Movember

It is that time of year again when something strange happens to the men of Melbourne. You may not notice it straight away, but it will definitely grow on you. It is Movember and the men of the town are growing moustaches to help raise money and awareness for men’s health throughout the month of November.

Men are notorious at skipping trips to the doctors, to the detriment of their health. As the problem of Prostate Cancer and Depression grows in society, we must take a stand to help out in any way we can.

This year, Williamstown North Primary School, Simon Corcoran a Year 4 teacher, will be asking children and families to save up their 10 cent pieces and bring them into school as donations. Each class will have a running tally of their donations with the winning class set to celebrate in style with prizes galore!

So gather up those pesky silver nuisances in the bottom of your purse, or behind the couch, ask your Grandma or Uncle to collect them as well, get the whole family on board, and bring your 10 cent pieces to school. Remember, the more you bring, the more chance you have to win!

Friday 30th November
Mo-Day

It is time to Mo-up! 5 of our teachers are growing a Mo to help raise money for men’s health and it is time we joined in.

During the last week of Movember (26th to 30th November), the Junior School Council will be selling Mo’s at lunchtime for $1.00.

On Friday the 30th Movember we will be asking all the kids in the school to wear a Mo!

Bring your own or buy one from the JSC. Get on board the Mo-train, and help support this wonderful cause.

School Fete – Garden Stall

Anyone interested in catching up to brainstorm ideas for the garden stall for 2013 fete, please contact Virginia vmfk@intemode.on.net by Monday 12th November. I will then get back to you with a date and venue.

Many thanks,
