

Williamstown North Primary School - 1409

Dear Parents,

We have been extremely lucky to organise an evening with renowned psychologist Dr Michael Carr-Gregg. Dr Carr-Gregg is one of Australia's highest profile psychologists. He is currently the Managing Director of the Young and Well Cooperative Research Centre. He has worked as an academic, researcher, and political lobbyist. He is also the author of nine books including the best-selling Princess Bitchface Syndrome and is currently working on his tenth.

Dr Carr-Gregg will visit Williamstown North Primary School on Monday 9th May. The evening will begin promptly at 7.00pm with doors to the Gymnasium opening at 6.40pm.

Dr Carr - Gregg will talk about resilience and anxiety in children, both areas of interest to every parent. The session will run for ninety minutes with time allowed in the ninety minutes for some questions.

To offset the costs of engaging such a great speaker, there will be a charge of \$10 **per person** to attend this event. This is an **ADULT ONLY** event. No children are able to attend.

Tickets will go on sale on the Monday 18th April and will close on the Monday 2nd May. Please note there will be limited tickets for this event, so if you are interested, purchase tickets early.

Initially tickets are only for WNPS families. If we have any spare tickets, these will be made available to others beyond our school community.

Finally, Dr Carr-Gregg may refer to a number of resources, so please feel free to take notes during the presentation.
