No Canteen or Fresh Fruit Friday on the last day of School—Friday 27th June.

Early Finish on 27th June—2.30pm

Principal’s Report

Happy 140th Birthday

Williamstown North Primary School!

This coming Sunday, we open our doors to the community to proudly celebrate the day when the school was officially opened on 1st July 1874. For the last 140 years, WNPS has gained a fine reputation in the region as a school that continues to offer outstanding academic provision. There are many local families who have indeed sent generations of children to WNPS over the years. We are very excited about this milestone event and we hope that you may be able to also join in the celebrations this Sunday 22nd June.

Visitors to the school this Sunday can tour the main building between 1:00pm and 3:30pm to take a trip down memory lane, viewing a fantastic collection of photos and memorabilia for each decade of the school’s history. At 1:30pm there will be an official ceremony in the gymnasium to formally mark this event. Our Glee Club has put together a special song to kick start the ceremony and we will unveil our 140th mosaic that every child in the school has worked on. As mentioned in last week’s newsletter, we will also have a couple of very important people to cut our 140th cake. We anticipate the ceremony will last for about 30 minutes and visitors we then be able to enjoy a Devonshire tea after the ceremony.

On Monday 23rd June, our students will then have their own special opportunity to celebrate the occasion with an exciting morning of activities including bush dancing, art & craft activities and heritage games. We hope that you have had a chance to dig through the wardrobes over the last week to find some clothing that each child can wear on Monday to represent the period dress of the time – it would be fantastic if all 642 students could be in ‘olden day’ clothing to join in the fun. The day will conclude with our usual Monday whole school assembly, which will start a little earlier at 2:45pm. Parents are more than welcome to attend this assembly.

END OF TERM ARRANGEMENTS

Next week is the final week of Term 2.
Please note that students will be dismissed early on Friday 27th June at 2:30pm from the gymnasium after a short whole school assembly.

Students will return from holidays for the beginning of Term 3 on Monday 14th July.

**CONGRATULATIONS OSHClub**

After a rigorous accreditation process undertaken recently, I’m delighted to report that our before & after school care provider, OSHClub, received an overall rating in the top possible category of ‘exceeding’. This is wonderful recognition of the very thorough processes, high program provision and excellent level of care that is facilitated by the OSHClub team every day of the week. We congratulate Leanne and the OSHClub team on this very successful accreditation process.

**HEAD LICE OUTBREAK**

Over the last fortnight we seem to have had a small outbreak of head lice. We understand that this is a very frustrating situation, especially when reinfection occurs. Could I please ask all parents to take a few minutes to carefully check their child/ren’s hair this weekend? If we all blitz this problem at the same time then hopefully we have a better chance of keeping on top of this problem.

Please note that teachers/support staff are unable to inspect hair without written consent from a parent and that as soon as we become aware of a student with head lice then a notice is sent home immediately to all students in that specific class.

Thank you in anticipation of your support on this matter.

**WEDDING WISHES – TIMES THREE!**

On behalf of the school community, we would like to extend our sincerest good wishes to three members of our wonderful teaching staff who are getting married over the next fortnight. Ana Milnes will travel back to Perth this week to marry fiancée Tim, whilst Emma Healy has a longer trip ahead as she travels back to Ireland next week to marry fiancée Tommy and last but not least, Ashleigh Cantwell will marry fiancée Joel on the last day of the term, in Melbourne. How exciting to have three weddings to celebrate! We have our fingers crossed that everything will run smoothly for the three brides to be and we look forward to seeing all of the spectacular photos next term!

Enjoy your week
Jim Cahill—Principal

---

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

---

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**

**Working With Children Checks**

From early April 2014, cardholders who are required to renew their WWC Check will no longer need to go to Australia Post to lodge a paper form and present their current card. From this time, cardholders will go to the WWC Check website to complete their renewal application online and, if applying for an Employee Check, pay the fee using a credit card. **The online renewal process** Cardholders will be notified by SMS, letter or email 28 days before their WWC Check is due to expire. It is important for cardholders to keep their contact details up to date so that they receive this important reminder.

After receiving a notification, individuals continuing to do child-related work should go to MyCheck on the WWC Check website and apply to renew their Check. Cardholders will be asked to register with MyCheck if they have not already done so. Once logged in to MyCheck, cardholders will be prompted to confirm or update their personal contact and work details, complete the online form and, if applying for an Employee Check, pay the non-refundable $102.70 fee.

**More information**, an FAQ guide to online renewals will be available in ‘Publications’ under ‘Resources’ on the WWC Check website. Or contact the Customer Support Line on 1300 652 879 8.30am – 5.00pm weekdays except public holidays.

SCHOOL BANKING – MISSING DEPOSIT
To the parents and carers of our School Banking students,
Last Wednesday the 4th June a deposit for the amount of $8.00 was received via School Banking. At the time of entering deposit details into the School Banking website we identified that a deposit slip was not fully completed with account name or account number resulting in the funds not being credited to the child’s account.
If your child deposited $8.00 on the 4th June, kindly present your child’s bank book to the office so that the receipt can be verified and account number details obtained which will enable funds to be deposited to your child’s account.
Do not hesitate to contact me should you wish to discuss this matter further.
Kind regards, Leanne Sutton, School Banking Coordinator, Mobile: 0424 221 752, Leanne@e-counting.com.au

Recipe for Success
This much sought-after workshop is coming to Carlton!

Aspect's Positive Behaviour Workshops (also known as Aspect Vic PBS workshops) are based on the latest evidence-informed strategies as part of our direct work with families, organisations and people living with ASD. By the end of the two-day workshop every participant will have been guided step-by-step to write their own Autism specific Positive Behaviour Support plan based on a chosen behaviour.

Participants will:
- develop an in-depth understanding of the autism spectrum
- learn how to write a positive profile of their child/client and develop a range of evidence based strategies matched to their individual needs.
- learn step by step how to write a Positive Behaviour Support (PBS) Plan for one of their child's/clients behaviours, including assessment and good practice interventions
- learn step by step how to write a Behaviour Response Plan and respond confidently when challenging behaviour occurs, including developing strategies for themselves.
- learn how to support the implementation of their PBS Plan, using our Implementation Checklist
- receive a CD with information, visual supports and re-usable resources
- connect with other families and professionals and be linked to a range of local supports and services

What do previous participants say?
"They understood when things went wrong and asked what I wanted to achieve to make my family productive and a happy place to be."
"Absolutely amazing – great balance between theory and practical ways to experience success of goals."

Who should attend?
Families and professionals supporting or working with people with ASD. For example carers, direct support staff, managers, educators, respite staff, supported employment and Allied Health professionals. Best suited to families/professionals with children aged 3 to 15 but the principles apply to all age groups.

When and where?
9:00am-4:00pm, 21 and 22 June 2014, at Rydges on Swanston, 701 Swanston Street, Carlton VIC

What will you receive?
Every participant leaves with their own Positive Behaviour Support Plan, with accompanying materials including a CD with printable materials, visual supports, additional resources and more.

The workshop facilitator is Behaviour Support Specialist, Claire Kilner. She said: “participants will walk away from Aspect Recipe for Success with a better understanding of autism and how to apply the principles of positive behaviour support, and will be better equipped to help support the child or children in their care.”

New Quiet Room for Individuals with ASD is a World First

We wanted to let you know about this great new initiative: Northland Shopping Centre has opened its first ‘Quiet Room’ – a sensory soothing space for individuals of all ages who have ASD.

Amaze has been working with Centre Management at Northland over the past couple of months, providing suggestions for the design and content of the room, and our Amaze Knowledge team have provided ASD training to centre staff. Northland Management has been very supportive of the idea and many of their regular contractors have set up and fitted out the room at no cost.

Amaze would like to thank Simone Dirckze at Northland, who has been the driving force behind the project, as well as Centre Manager, Michael Bickers, Tiffany Harman (PR), Lindsay Broad (Design Manager), Paula Willcock (Operations Manager), and senior managers Justin Mills and Justin Blumfeld who have all supported and helped with the Quiet Room.

We would also like to thank the suppliers who gave time and materials to the project:

- Ben Tirrell of Portobello,
- Tony Banks of Laserflex,
- Airmaster Australia,
- DW Plumbing,
- PGR Furniture,
- Lincraft

The room provides a calming environment for anyone with ASD to use, to help them cope with sensory overstimulation: the room is quiet, with subdued lighting, muted colours and comfortable furniture. There are two cubicles with curtains providing privacy if needed and it is to be found down a short side corridor and adjacent to toilets.

Signage on the door makes it clear that the room is for the use of individuals with ASD and their carers only and it will be available during standard centre opening hours.

At the moment access will be via a staff member (at the info desk) and Northland are looking at providing a system of entry using a security card, which can then be provided to regular users of the room.

Still needed!
The team at Northland are still looking for a water fountain (plumbed in type) so if you know of someone who may be willing to donate one, please get in touch.

We are not aware of any similar facilities in shopping centres here in Australia, or overseas. We hope that it will be a very useful support for individuals and families at Northland, and in time, we hope to see them more widely available.

Kind regards
