Principal’s Report

2015 Grade Structure and Planning

After several weeks of carefully considering all of the variables for 2015, we have now confirmed a grade structure for next year to accommodate an anticipated enrolment that is edging towards 700.

Our students this year have been grouped across 26 classes, however due to the enrolment growth across all levels of the school; our planning for next year will see 28 classes operating. We have prioritised the early years of schooling in this structure, with classes from Prep to Year 4 having between 22 – 25 students. The senior classes in Years 5 & 6 will have between 27 – 29 students; very similar to the class sizes we have comfortably managed in this area this year. We are delighted that we will also be able to provide Intervention and Extension teachers for all levels of the school next year, thereby building upon the very innovative practices we have utilised this year, to ensure that all children are being further targeted at their point of need in fluid groupings.

Whilst most year levels will continue to operate in their existing locations, there will be some changes in the Junior school with next year’s prep cohort being accommodated in the Junior Learning Centre. We are currently in the process of finalising where each level will be placed and I will publish this information in the coming weeks. As a result of the increased enrolment next year, all available classrooms will be in operation and we will have no spare classrooms. Extensive discussions will be undertaken with the Department of Education and Early Childhood Development (DEECD) in February next year to develop a new enrolment strategy for the school, given that the school will be at capacity.

Having determined the grade structure for next year, we are currently in the process of recruiting the staff we will need. We have already interviewed for our new Business Manager, which I hope to be able to announce next week, and we hope to have our new teachers determined over the next fortnight. I will publish a list of all teachers’ roles for 2015 towards the end of November.

Year 4 Boys’ Class for 2015

As our planning unfolds for next year, we have been scrutinising very intensely the needs of all students across the school. To this end, we are keen to address a large gender imbalance in this year’s Grade 3 cohort which has approximately 25 more boys.
Our data from our Attitudes to School Survey over the last two years has indicated that our senior girls have felt less engaged and less empowered at times. We have also received anecdotal feedback from several parents in Year 3, who have indicated that the classes at this level have been imbalanced since Prep, which has presented some extra challenges at times for the girls at this level. In response to this data and feedback, we are going to trial a ‘boys only’ class in Year 4 in 2015.

I have undertaken some research on this matter and spoken at length with several Principal colleagues who have boys only classes operating in their schools at present. The feedback has been overwhelming positive with many benefits for both the boys and girls stemming from this structure.

On current numbers, we are planning four grades at Year 4 for next year. All of these classes will have around 23 students. In allocating one of these classes as a boys’ class, we will create an even gender split in the other three classes at this level. The boys’ class will be structured on the same basis as all of our other classes, with a sensitive mix of learning capabilities, social competencies and behavioural factors. The learning program for this class will be the same as the other classes at this level, with the only minor difference being a greater consideration at times to the different learning styles of boys.

We are very excited about this proposal for next year and feel that it creatively addresses some of our challenges/observations with this cohort of students. However, we do recognise that this change may generate some concerns for parents.

To this end, if you do not wish for your son to be placed in a boys’ only class in Year 4 for 2015, could you please email this request to cahill.jim.a@edumail.vic.gov.au.

When the students and teacher have been selected for the boys class, I will organise a meeting with the parents of this class to discuss this proposal in greater detail.

**Wizard of Oz Ticket Sales**

We’ve had a terrific response to our online ticket sales for this year’s Musical, ‘The Wizard of Oz’. Approximately 1300 tickets went on sale last Thursday night for both evenings of the musical and upon checking the sales this morning, we have only about one hundred tickets left.

I would like to take this opportunity to thank the vast majority of parents who respected our ticket purchasing guidelines; this will help to ensure that all families are able to attend the Musical. Given that we only have about one hundred tickets left, it would seem unlikely that families will be able to purchase additional tickets, however I will provide an update on the final ticket availability next week.

Please note that a selected group of Year 6 students will be ushering guests to their seats on both nights of the Musical. We are grateful to parents who have approached the school to undertake this role; however, as our students will have this role covered this year, more parents will be able to sit back and enjoy the show!

Thanks again to Dean Pearce (Performing Arts teacher) for introducing the new ticketing arrangements this year to streamline ticket sales.

**Thank You Lunch**

We are quite humbled that a very considerate group of parents have banded together to organise a special lunch on Friday 5th December for all teachers & Education Support staff. This is a way of saying thank you from our school community for the wonderful job all staff have done throughout 2014 to support the educational, social & emotional needs of our students.

A notice will go home to all families next Monday from these parents, seeking a small gold coin donation to cover the cost of the lunch. These donations will be collected during the first half of next week. Any queries regarding this lunch can be directed to Julie Noonan (Class Rep Coordinator).

**Fete News – Sunday 15th March 2015**

With only about 120 days to go until next year’s Fete extravaganza, I’m pleased to report from last week’s Fete meeting that planning is falling into place very nicely. We are grateful to the many parents who have already kindly volunteered to coordinate a stall, or assist in some way. If you haven’t had a chance to put your hand up yet for a position, we are seeking a parent to coordinate the Spinning Wheel. If you think you might be able to undertake this role could you please contact Shane Graham at: wnpsfete@gmail.com

Enjoy your week

**Uniform Shop News** Primary School Wear (PSW) is our official Uniform supplier. Uniforms can be purchased at the new store located at Unit 1, 128 Bertie Street Port Melbourne. Items will also be available for purchase online. Email portmelbourne@psw.com.au. Trading hours for Term One and Term Four are Tuesday to Friday 8.30am to 5.00pm, Saturday 9.00am to 1.00pm and closed on Sunday and Monday. See the flyer in today’s Newsletter for further information.

**School Banking** School banking day is Wednesday. Don’t forget to send in your child’s bank book.

**Student Safety** Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

**Early Release** All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

**Bikes & Scooters** Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.

WILLIAMSTOWN FRUIT & VEGGIE SWAP—Saturday, 8th November at 10.30 am on the Library Deck

If you grow fruit or vegetables, you often have too much of one thing (lemons) and not enough of another. A Fruit & Veggie Swap helps even out your produce, meet other gardeners and enjoy produce that has been grown locally.

How does it work?
Swappers place their contribution on a common table, browse and enjoy a chat with other locals while taking a share of items they could use.

What can you swap?
- Home-grown fruit, vegetables, nuts or eggs
- Gardening goodies (coffee grounds, shredded paper, lawn clippings, homemade mulch or compost, worm juice, worm castings)
- Something you’ve baked (cake, bread, biscuits)
- Recycled jam jars
- Saved seeds, seedlings and cuttings you’ve raised (edible stuff)
- Copies of your favourite seasonal recipes
- Gardening magazines or books you’ve read
- Homemade preserves (relishes, lemon butter, tomato sauce, cordial, ginger beer)

The Williamstown Fruit & Veggie Swap is supported by Transitions Hobson Bay - a community group working towards a sustainable future.
School Banking Rewards Program Update!
The Term 4 rewards are now available for your children to redeem with two new items released.

**Projector Cup** - every child will want one as this cup lights up and makes drinking fun.

**Sea Streamers** - perfect timing as the warmer weather is upon us. These streamers will provide hours of swimming fun.

**Term 4 - Clam of Fortune Competition**
We're rewarding regular savings by sharing the Dollarmites latest find, precious prizes from the ancient Clam of Fortune.

- 40 GoPro HERO3 White Edition Cameras; and
- 150 Slip N' Slide Double Wave Riders.

Entry into the promotion is a little bit different to those we have run previously. For every School Banking deposit made during the competition period, the student will receive one entry into the competition (up to a maximum of 6 entries). So, the more they save, the more chances to win a prize. Competition period: 20th October — 30th November 2014.

For more information, or to view the full competition terms and conditions, visit [commbank.com.au/deepseasavers](http://commbank.com.au/deepseasavers)
