Principal’s Report

NEW BUSINESS MANAGER

The selection process for a new Business Manager has now been completed and I’m delighted to announce the appointment of Debbie Dorgan, who is a highly experienced Business Manager from Cambridge PS (Hoppers Crossing). Debbie will begin working at Willy North from Monday 24th November, so please extend her a warm Willy North welcome when you are up at the office.

Applications will close this week for our advertised teaching vacancies and we hope to be able to confirm all of our 2015 teachers over the next fortnight.

YEAR LEVEL PLACEMENTS FOR 2015

Over the last week we have confirmed our class structure and Year Level placement for our 2015 classes. Our five Prep classes will be housed in the Junior Learning Centre and the four Year One classes will be accommodated in Rooms 5 to 8. Five Year Two classes will move into the main building and be placed in Rooms 1, 2, 3, 4 and 23 (next to the Art Room). Our Years Three and Four classes will remain in the same area of the school and be placed in Rooms 15 to 22 and senior students in Years Five and Six will again be upstairs in the main building in Rooms 9 to 14.

YEAR 4 BOY’S CLASS

Thank you to the many parents who responded with very considered thoughts to last week’s newsletter item about our proposed Year 4 boy’s class in 2015. We very much appreciated the very positive feedback from parents who will have girls in Year 4 next year, indicating that this will certainly further support their connectedness and empowerment.

In regards to the boy’s class, the opinion was divided with schools of thought expressed for and against this proposal. Approximately fifteen families emailed me indicating that they would prefer their son to be in a mixed gender class. Conversely I’ve met with about six families who have indicated a strong preference for their son to be placed in this class.

Please be assured that this proposal will proceed with careful thought being given to all of the planning parameters. When the classes have been determined and teachers assigned to each class, we will then meet with the parents of the boy’s class to discuss how this class will operate in 2015.

LATE ARRIVALS

Over the last fortnight, we have been experiencing a marked increase in the
number of students arriving late to school each day. We understand that some circumstances around these late arrivals are unavoidable; however we would like to emphasise the importance of being punctual in the morning and ready for the start of the first learning session of each day. We look forward to your continued support on this important matter.

**LOCAL FOOD HAMPERS FOR XMAS**

As is past years, we will be working with several local organisations to put together Xmas Food Hampers for local families in need. Over the next three weeks we are seeking donations from families in the form of non-perishable food items e.g. cans, jars or packet food products. These items will be kept in the classrooms over the next three weeks until collection in early December.

As you are shopping over the next few weeks, if you can throw an extra item in the trolley for these hampers, it would be greatly appreciated.

**FACILITIES UPGRADES**

You may have noticed some work at the front of the school this week with a fencing frame being erected. An outdoor seating area is being constructed to extend from the main staffroom. As our student enrolments have increased over recent years, our staffing profile has obviously grown as well and on peak days it can be standing room only in the staffroom! A new external doorway will be installed in the staffroom which will lead to a paved area enclosed in brushwood fencing.

In other facilities news, our School Council recently endorsed the demolition of the shelter shed that sits near the Junior Learning Centre. A large skip was brought in last week to clear out the unwanted contents of the shelter shed and the remaining items are being transferred to the new shed in the back corner of the school. We still have a few items left that we are giving away to any interested families:

- A brand new welding helmet.
- Star Pickets (15 – 20).
- 3 treated pine garden poles (approximately 1.8m)

Please give me a call if you are interested in any of these items.

**WIZARD OF OZ – IT’S A SELLOUT!**

I can now confirm that all tickets for this year’s Musical ‘The Wizard of Oz’ have been sold. As a result, there will be no additional tickets available for families to purchase. I would like to again thank everyone in our school community for respectfully limiting their ticket purchases.

**BOBERIC FAMILY TO MAKE A DIFFERENCE**

One of our school families is off to Thailand in a few weeks as part of an International Children’s Care project and they are seeking support of Willy North parents who may be in a position to donate to this project.

International Children’s Care Australia is a Christian International Development Organisation based in Australia that raises funds and works with international partners to alleviate poverty and build a brighter future for destitute children in developing countries. [http://www.iccaustralia.org.au/](http://www.iccaustralia.org.au/)

A few words from Mary Boberic:

“I am pleased to be able to be part of the 2014 Fly n build Thailand that I am passionate about and we are ready to make a difference. ICC Big Build project will aim to support the locals who are under privileged on/near the Thai/Myanmar boarder. We plan to leave on the 8th December for approx. 2 weeks. Our team will be building houses, renovating orphanages and repairing schools.

I am taking this opportunity to take my children, Gabriela 7 and Noah 5 to our first ever fly n build. I’m hoping this experience will impact and change our lives and the lives of those we will meet. I can’t wait to experience this.

For my part of the fundraising project I have over the past few months sold items I no longer need. I would greatly appreciate your support by giving whatever you can using the ‘Give Now’ button. Please give generously - $10 will provide 5 blankets, $100 will provide a year’s heating.

Please help make a difference and may God bless your generosity.

Please let me know if you require any more information. Thanks again for your support.”

Enjoy your week

**School Banking** School banking day is Wednesday. Don't forget to send in your child's bank book.

**Student Safety** Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

**Early Release** All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

**Bikes & Scooters** Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**

**Working With Children Checks**

From early April 2014, cardholders who are required to renew their WWC Check will no longer need to go to Australia Post to lodge a paper form and present their current card. From this time, cardholders will go to the WWC Check website to complete their renewal application online and, if applying for an Employee Check, pay the fee using a credit card. **The online renewal process** Cardholders will be notified by SMS, letter or email 28 days before their WWC Check is due to expire. It is important for cardholders to keep their contact details up to date so that they receive this important reminder.

After receiving a notification, individuals continuing to do child-related work should go to MyCheck on the WWC Check website and apply to renew their Check. Cardholders will be asked to register with MyCheck if they have not already done so. Once logged in to MyCheck, cardholders will be prompted to confirm or update their personal contact and work details, complete the online form and, if applying for an Employee Check, pay the non-refundable $102.70 fee. **More information**, an FAQ guide to online renewals will be available in 'Publications' under 'Resources' on the WWC Check website. Or contact the Customer Support Line on 1300 652 879 8.30am – 5.00pm weekdays except public holidays.
