*Aerosol cans* (deodorant, hairspray, etc) **CANNOT** be used, due to all accommodation rooms being fitted with highly sensitive smoke/airborne particle detectors. Should a student be responsible for activating the fire alarm, resulting in a false-alarm callout, a call-out charge will be applied for each occasion.

Williamstown North Primary School and Bridge Capital Lodge **do not take any responsibility** for cameras, electronic devices or any other valuables that you choose to bring with you to camp.

### Bus Trip

To make the ten hour bus trip to Canberra a smooth and comfortable experience for everyone, we ask students to think of ways to amuse themselves...

- Students are permitted to bring one electronic device eg: iPod for the drive only (NO DVD PLAYERS; NO LAPTOPS). Headphones will be essential. To encourage students to experience Camp to its fullest, all devices will be collected on arrival to Canberra and returned the night before departure for charging. All items must be clearly labelled.
- A travel pillow is highly recommended!
- Students will be given their Camp Booklet on the bus, which will have activities and journal spaces to fill in, so students are encouraged to bring a small pencil case in their day pack.
- To carry all of this, a small day pack will be needed, and will be used throughout the week on our excursions to each of Canberra’s attractions.

One of the nights at Camp will be a movie/games night. If you **do not** feel comfortable with your child watching a movie that is rated PG, please advise their class teacher prior to Thursday 14th April 2016.

Good Luck!
