Principal’s Report

2016 Grade Structure

After several more weeks of additional monitoring, we are pleased to confirm the following grade structure for 2016. Several changes have been made as a result of recent fluctuations to student enrolments at specific year levels. A drop in prep numbers to 124 will now see these five classes located in the junior learning centre next year with an additional leading teacher being tagged to this level four mornings a week to provide intensive support throughout the year. The school has committed to the Reading Recovery program again in 2016 to further support the Year One level, as well as intensive intervention and extension support. An additional 5 students have enrolled into Year 2 for next year, consequently we have added another class at this level taking the total to five.

We will continue to build on our intervention and extension model across ALL levels of the school to ensure that additional staff work across the school on a daily basis to further personalise the learning for our students. To this end, four of our leading teachers will be responsible for ensuring outstanding provision through all of our intervention and extension endeavours.

As you can appreciate, there are many complexities to juggle when structuring the classes each year. Our compelling goal is to ensure we have established the best learning environments possible for all of our students. We are delighted that we have been able to forge this structure within our budgets for 2016.

⇒ Preps: 5 classes @ 24/25 students
⇒ Year One: 5 classes @ 25/26 students
⇒ Year Two: 5 classes @ 22/23 students
⇒ Year Three: 5 classes at 22 students
⇒ Year Four: 4 classes @ 26/27 students
⇒ Year Five: 3 classes @ 25/26 students
⇒ Year Five/Six: 1 class @ 25 students (11 Year 5 students and 14 Year 6 students)
⇒ Year Six: 3 classes @ 26/27 students

Year 5 & 6 Multi-age Class

In the above structure you will notice one multi-age class in our senior school. Please note that this is not a traditional composite class where Year 5 and 6 children would be working on separate programs. None of our learning programs across the school are based on chronological age; our learning programs will always be based on the data we collect to determine the next stage of learning.
for each child. To this end, a multi-age class presents us with few challenges because of the way in which we already personalise the learning programs across the school.

There will be times however, where all of the Year 6 children will be involved in separate events. At these times, some minor reorganisation of the students will ensure that the experiences of all Year 6 students will not be diminished at any time. When selecting the students to be in this class, we will ensure that there is a sensitive balance in all factors to be considered (as with all of our classes). The only slight difference with students selected to be in this class, will be further consideration given to students who display higher levels of self-discipline, initiative and engagement to their learning.

The three Year 6 classes and the multi-age class will be clustered together, to ensure high degrees of communication and connectedness between these students. An existing member of staff, who is familiar with all of the school’s practices and procedures, will be assigned to this class to optimise the continuity in learning for all of these students. Please be assured that all of the students in this multi-age class will not be disadvantaged in any way; if anything, they will be exposed to a broader range of experiences across the course of the year.

**Remembrance Day Ceremony**

I had the pleasure of attending a Remembrance Day ceremony last Wednesday with twelve of our School Ambassadors at the Cenotaph in Williamstown. I would like to take this opportunity to sincerely thank these ambassadors for the outstanding respect they displayed throughout this event. They listened so intently during the ceremony and at the conclusion they each laid a poppy at the base of the Cenotaph. These students certainly displayed all of the ambassadorial qualities inherent to their positions. I commend the following students for their exemplary participation in this event: Alexis I, Josh H-S, Lily S, Sara C, Charlotte G, Georgia S, Maddy M, Ella G, Noah M, Olivia H, Shannon W and Zara N.

**Prep Information Session Reminder**

A reminder to all 2016 Prep parents of our final Prep Information Session next Tuesday 24th November, getting underway at 7.00pm in the Junior Learning Centre. The classrooms in the Junior Learning Centre will be opened at 6:45pm for any parents who would like to tour this facility. The main presentation for the evening will be from Kay Margetts from Melbourne University, who will be on hand to provide many tips for ensuring a smooth transition to primary school.

**Canteen Survey**

Our Community Engagement sub-committee began working on the responses from our recent canteen survey at their meeting last Wednesday evening. We were thrilled to have such a high rate of response to the survey and we believe we now have some very clear directions to explore for the canteen over the next twelve months. In summary, the key findings were:

- A heightened focus on providing less frozen food and more fresh/healthier food options
- The utilisation of local contacts who can support the canteen in providing fresh produce
- The engagement of consultants to inform the school’s decision making in this area
- To review how students from Prep to Year 6 can access the canteen more efficiently during recesses and lunchtimes
- Over time, moving to an electronic platform for ordering lunches

I’ll keep everyone posted through the Newsletter as we move forward on this matter into 2016.

**Cashtivity**

Our Year 6 students are eagerly anticipating their Cashtivity Market Day tomorrow, whereby they will be selling their ‘wares’ to the rest of the school. Students from all levels will be able to bring along up to $5.00 to spend at the market in support of this Year 6 market enterprise.
Hi my name is Sarah. This year, through school, I have been lucky enough to have been chosen to visit the Williamstown hospital, with some other Year Fours. Today I will be talking about two activities we did. It has been an honour and a wonderful experience I can’t wait to tell you all about it.

The first time we went to the hospital we met a lady called Joe. She showed us around then took us to the conference room where she split us up into four different groups. I was in a group with James, Andreas and Miss Vaughan. After she split us up, we all went to our first activity.

My first activity was with Megan the Occupational Therapist. We got to try three different drinks. Two were thickened and one was not. The flavours were orange, banana and vanilla. Megan let us bring two different drinks home to keep. The drinks I got were orange and strawberry. After we tasted the drinks we did a quiz about the different jobs in the hospital.

My second activity was with Rob in the x-ray room. We learnt about ultra sound. If you are wondering what that is, it is a special machine you use to see what is under your skin. One of the reasons they have this machine is to see if you have a baby in your tummy and to see how the baby grows and develops. You can also use it to see if your muscles are working properly.

Thanks for listening. Now I would like to present Lily J.
Rosters… Fresh Fruit Friday (FFF)
This is a very social and interactive group who volunteer an hour of their time each Friday morning. Thank you to the many dedicated parents that assist with Fresh Fruit Friday. Fresh Fruit Friday continues to need parent volunteers. If you are available on Friday, please email Linda Taylor directly, so she can add you to the roster—taylor.linda.11@edumail.vic.gov.au. The parents on the roster for this week Friday 20th November are: Julia Hackett, Kim Pannone, Larissa Deeth, Rachelle Burbridge and Andrea Crabtree

Canteen
Julianne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julianne can be contacted via the General Office. New parents or family members are always needed and most welcome. So, if you can spare any of your valuable time, it would be greatly appreciated.

Thursday 19th November—HELP NEEDED Friday 20th November—Maha Sidaoui
Wednesday 25th November—Julia Hackett
Thursday 26th November—Anne Tobin Friday 27th November—Amber

Uniform Shop News Primary School Wear (PSW) is our official Uniform supplier. Uniforms can be purchased at the new store located at Unit 1, 128 Bertie Street Port Melbourne. Items can also be purchased online. Email portmelbourne@psw.com.au. Summer Trading hours are Monday to Friday 8.30am to 5.00pm, Saturday 9.00am to 1.00pm and closed on Sunday.

School Banking School banking day is Wednesday. Don’t forget to send in your child’s bank book.

Student Safety Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:
• Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
• Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
• Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

Early Release All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

Bikes & Scooters Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.

Working With Children Checks Cardholders who are required to renew their WWC Check will no longer need to go to Australia Post to lodge a paper form and present their current card. Cardholders will go to the WWC Check website to complete their renewal application online and, if applying for an Employee Check, pay the fee using a credit card. The online renewal process Cardholders will be notified by SMS, letter or email 28 days before their WWC Check is due to expire. It is important for cardholders to keep their contact details up to date so that they receive this important reminder.

After receiving a notification, individuals continuing to do child-related work should go to MyCheck on the WWC Check website and apply to renew their Check. Cardholders will be asked to register with MyCheck if they have not already done so. Once logged in to MyCheck, cardholders will be prompted to confirm or update their personal contact and work details, complete the online form and, if applying for an Employee Check, pay the non-refundable $102.70 fee.

More Information, an FAQ guide to online renewals will be available in 'Publications' under 'Resources' on the WWC Check website. Or contact the Customer Support Line on 1300 652 879 8.30am – 5.00pm weekdays except public holidays.
2016 Prep Parent Information Evening

The ‘2016 Prep Parent Information Evening’
is for Parents of confirmed Prep enrolments.
Tuesday 24th November 2015, 6.45pm for a 7.00pm start.
Kay Margetts from Melbourne University will speak on
“School Readiness” and “School Expectations”.
The information evening will take place in the Junior Learning Area.

For our School Zone go to www.willynth.vic.edu.au / slider tab – Enrolments / WNPS Zone Map

‘Thank You’ function for the wonderful teachers and staff of WNPS
11th December!

A reminder that a slip of paper went home with every student last week, asking them to write and/or
draw about something they have enjoyed about school this year. These messages will be displayed
outside the staff room for all to enjoy! A box has been set up at the front office for notes and we would
be most grateful if these could be returned by Monday 30th November. If you lose your note, any slip
of paper is fine!

Bring a gold coin donation to school on Tuesday 24th or Wednesday 25th November to help
cover the cost of the food, drinks and decorations for the lunch. Please drop your donation in
to the donations box set up at the front office. Thank you to those students who have already
dropped in their donation early!!

We thank you for your support!

Please note, this event is for the teachers & staff of WNPS only.

Cashtivity Market Day

On Thursday, 19th November, the Year 6 students will be holding their
“Cashtivity Market Day”.

Cashtivity is a digital tool for students to experience & learn about business and
financial planning in practical and fun way. It supports students by providing
them with the framework for business, taking them through the various steps,
from business conception, developing and making products and marketing. This
project culminates on Market Day when the Year 6 students try out their
marketing and sales skills, selling their wares to other students from across the
school. The money raised is used towards the cost of the Year 6 Graduation
celebrations.

There will be a myriad of colourful and fun products for sale including Dream
Catchers, Grass Heads, Mouse Mats, Bunting, Glitter Jars, Goo, PlayDoh, Keyrings,
Magnets and much, much more.

Each class across the school will have an opportunity to visit and purchase products
at the numerous stalls. Prices will range from 50c to a maximum of $5.00, with most
products being around $1.00—$2.00.

The Year 6 students are all very excited and we hope you might
support their endeavour in raising money for their school
Graduation.
Host Families Wanted 2016

Japanese University Students Visiting WNPS
The students are studying Childhood Education at University in Japan. They will be visiting our school to observe classes and run some fun activities with the children to share their Japanese culture.

Dates: 13th (Sat) to 24th (Wed) February 2016
